# Think about your opportunities

*Are we all going to  
be okay?*

Remember that **everyone's** learning journey is different  
but **we** can each have a fulfilling outcome!

# No matter the circumstances, there is always a way forward.

Stop

- Calm yourself down. Take a few deep breaths.

When you receive your results, you may experience a range of emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.

Think

- Think through the different options that are available for you. Keep things in perspective.
- Remember that the O-Level is one part of your life journey and not the destination.

Do

- Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you.
- Make a decision and take action based on your options.

# Reaching out for help is a sign of strength, not weakness.

If you have any concerns or are not coping, do reach out to someone you trust and speak with them. It could be a parent/guardian, teacher, School Counsellor or a friend that you can talk to.

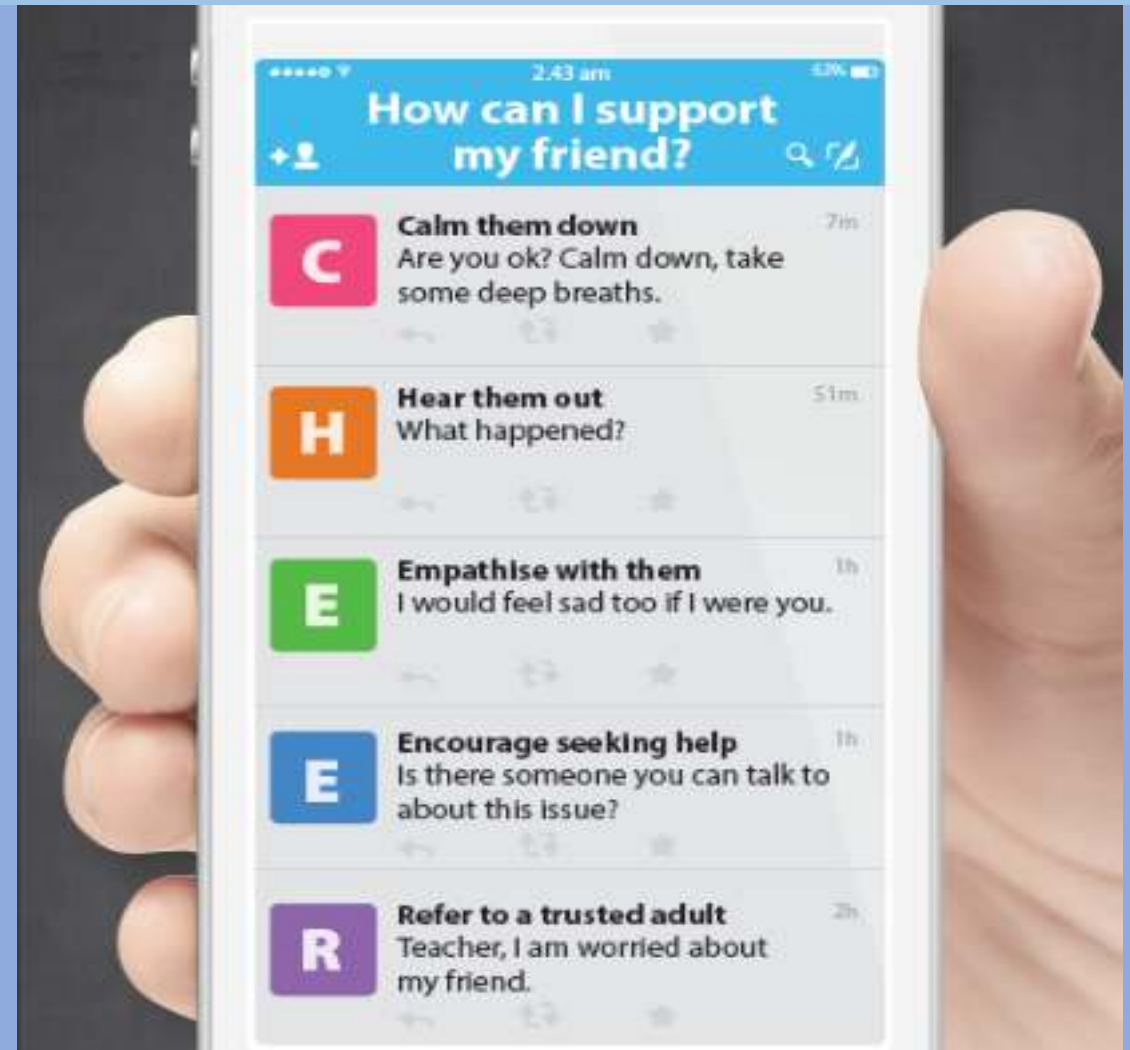

# Supporting Your Friend

We may each experience different emotions upon receiving the results. You can share your friends' joy by congratulating them or give words of encouragement to friends who may be disappointed with their results.

Keep a lookout for your friends in distress.  
You can support them in the following ways:
