Dear Fellow Parents and Guardians,

Greetings!

On behalf of the Parents-School Support Group (PSSG), we warmly welcome you and your daughter/ward into the *PL Family*.

As you start this exciting journey here, we look forward to your participation in PSSG, to create an effective partnership between the home and school.

This is in alignment with the PSSG Vision & Mission Statements which serve to achieve the goals of educating and developing our daughters into women of fine character, with a passion for life and learning, living in favour with God and man.

Vision:

An exciting and effective partnership between home and school.

Mission:

To LINK all parents to achieve the school's mission.

[LINK – Linking Intentionally through Networking and Koinonia]

**'Koinonia' is a Greek word meaning 'fellowship and rapport'.*

PSSG serves as a bridge between parents and school.

Being a parent volunteer not only creates opportunities for us to have common conversation topics with our girls about school, teachers and their friends, but our involvement in the various PSSG events also promotes family bonding and deepening values at the home front.

Your active presence at school is a definite way to show love and encouragement to your child as they embark on this new phase of their life. They will be able to model after you, picking up positive values on volunteering and passing it on by giving back to the community.

The PSSG also enables a means of communication for parents to be well-informed on school activities and events as well as an open channel for constructive feedback to fine tune practices in the school. Parents are also able to fellowship and support each other through exchanging parenting tips and demonstrating continuous learning to our girls.

Come join us!

We warmly welcome you on board to invest your time and talents for the betterment of our girls in this PL Family. You may indicate your interest in joining the PSSG as well as find out more about our activities in the school website <https://www.plmgss.moe.edu.sg/about-us/pssg-parents>.

Here's wishing you and your family: Love, Joy & Peace this Christmas as we look forward to a Blessed New Year!

Yours sincerely,
